

Hello Parents

Our Relay for Life Club/Relay Recess is doing a drive for donations starting next week up until Dec.1<sup>st</sup> for toiletry items. We will be donating the items to those staying at the Hope Lodge in Tampa. Hope Lodge is a facility for families to stay while seeking treatment for cancer or while loved ones are in treatment. Hopefully you student brought home a flyer Friday or this week with the details. We are asking for donations for toiletry items. There were some examples listed on the flyer. If any students bring in donations there will be a big purple box in the library. We hope to provide families or survivors some “HOPE” in a box while they are staying seeking treatment.

Thankyou for your support,  
Ms. Garcia  
Ms. Toney  
Relay Recess Club
