

The DBES Relay for Life Team would like to thank all of the Rancher Family, friends, and community for coming out to our first mock relay event. It was a wonderful evening that helped raise money for cancer research. We took time to celebrate and remember those that battle cancer daily, and those that battled cancer and may no longer be with us. The lighting of the luminarias and moments of silence were beautiful. We thank all of those that made this event possible. Dawn Garcia, the DEBS team captain, put her heart and sweat into this event.

The team set a goal to fundraise \$1,000. With all of the participation in the event, our fabulous vendors, the silent auctions, raffles, etc..the event exceeded that amount. We are still crunching numbers and waiting for the grand total.

In the meantime, we are thrilled to announce the winners of the silent auctions and raffles.

Origami Owl Charms and Chain  
Quilt  
Basketball Shootout with Mr. Klauka  
Easter Wreath  
Lunch with the Principal  
Car Line Fast Pass

C. Stewart
