**The Right Start
for Reading Success**

Smarty Ants for Kindergarten Readiness

Ensure that your child is on track for success from the first day of school with Achieve3000's new early literacy solution, Smarty Ants!

This interactive solution provides everything young learners need to start kindergarten with a love of reading – all in a fun online environment that will keep them engaged and learning:

- ① Children start in the “Swimming Pool,” a **quick assessment that identifies** each student's **current level of reading readiness**.
- ① Smarty Ants automatically **adapts instruction according to each child's exact skill level**, learning temperament and learning pace.
- ① Through engaging instruction and games, students **develop essential literacy skills**, including building print awareness, learning new vocabulary and identifying letters and their sounds.
- ① Thousands of virtual awards to collect and dozens of mini-games to play **make learning how to read fun and exciting for every child**.
