

GK-M5-Lesson 12

Write the missing numbers. Then, draw X's and O's to complete the pattern.

X X X X X X X X X X O O O O O O O O O O O	X X X X X X X X X X X X X X X X X X X X X X O O O O O O O O O O O	X X X X X X X X X X X X X X X X X X X X X X O O O O O O O O O O O	X X X X X X X X X X X X X X X X X X X X X X O O O O O O O O O O O	X X X X X X X X X X X X X X X X X X X X X X O O O O O O O O O O O	X X X X X X X X X X X X X X X X X X X X X X O O O O O O O O O O O	X X X X X X X X X X X X X X X X X X X X X X O O O O O O O O O O O	X X X X X X X X X X X X X X X X X X X X X X O O O O O O O O O O O	X X X X X X X X X X X X X X X X X X X X X X O O O O O O O O O O O	X X X X X X X X X X X X X X X X X X X X X X O O O O O O O O O O O	X X X X X X X X X X X X X X X X X X X X X X O O O O O O O O O O O
20	19	18	17	16	15	14	13	12	11	10

I count the O's and X's. There are 10 O's and 10 X's. That's 2 ten. 2 ten is the same as 20.

I know I'm on the right track because I hear the pattern of 1 smaller. It goes like this:
 14. 1 less is 13.
 13. 1 less is 12.
 12. 1 less is 11.
