

3. Use arrow notation to solve.

a.

17	<div style="border: 1px solid black; display: inline-block; padding: 2px 5px;">+10</div> \longrightarrow	<u>27</u>
----	---	-----------

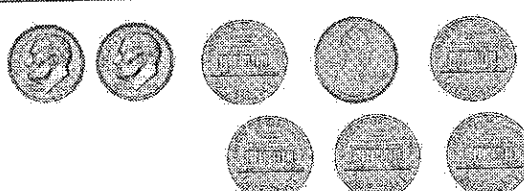

b.

<u>19</u>	<div style="border: 1px solid black; display: inline-block; padding: 2px 5px;">+20</div> \longrightarrow	39
-----------	---	----

I can think: What number plus 2 tens will give me 3 tens 9 ones? 1 ten 9 ones plus 2 tens equals 3 tens 9 ones! So, 19 is the number.

4. Use the dimes and pennies to complete the place value charts.

a.

tens	ones
2	6

tens	ones
1	0

tens	ones
3	6

2 dimes and 6 pennies make 2 tens 6 ones. When I add 1 dime, I add 1 ten. Now, there are 3 tens all together. The number sentence is $26 + 10 = 36$.
