

GK-M1-Lesson 15

Count the shapes and write the numbers. Mark each shape as you count.

These fruits are everywhere!
I mark each one as I count.
That way, I don't count the
same one twice.

1, 2, 3, 4. There are 4
watermelons.

1, 2, 3, 4, 5. There are 5
oranges.

I can write 4. Trace down
the side; cross the middle
for fun. Top to bottom,
and you are done!

I can write 5. Trace down
the side; curve like that.
Back to the dot, and give
it a hat!

How many?
