

GK-M3-Lesson 5

Circle the stick that is shorter than the other.

My 4-stick is shorter than my 6-stick.

My 6-stick is longer than my 4-stick.

I can compare using my new math words *shorter than* and *longer than*.

Draw a stick that is between a 3-stick and a 5-stick.

Draw a stick that is longer than your new stick.

My 7-stick is longer than my 4-stick!

Draw a stick that is shorter than your new stick.
